Remarks

Wait till you see this Marysville Condo ! Nothing to do but move in this super clean home and everything is done for you. Updated kitchen with granite counter tops and stainless steel appliances, New paint and flooring throughout, modernized bathrooms. New furnace and AC unit. The High ceilings and open floor plan have a great feel, tons of natural light from the sliding door that leads to the new composite deck overlooking the pond. Large primary suite has full bath and plenty of closet space. Downstairs is a walk out basement with tall ceilings, plumbing stubbed for a bath, egress window for a possible future bedroom and sliding door leads to patio. Did I mention a 2 car attached garage ? This is a well maintained association with new paved street last year and its close to water, bike path and much more. SHOWS WELL
